IT'S A GOOD TIME to be thinking
about Shirts, Collars and Ties for
the warm days that are coming.

Negleee Shirts are going to
be very popular this season, just as much as in
years gone by. Then Pleats will be in favor
by many. We are showing far in advance of
the season WASH TIES. The newest of the
new. Another thing of interest to you now is
summer and hot weather underwear; its in a
great variety, but the coming garment is the
Union Suit. Look into this matter and see
what we are offering. Its early to talk about
Straw Hats, but if you want to see what will be
the coming fashions, even now we can show
them to you.

WE KNOW YOU KNOW we are
headquarters for Men's and Boy's Clothing
and every man and boy should have one of our
two piece hot weather tropical Coat and Pants.
Give them a look, it will soon be time for them.
We are the fountain head for Men, Boys and
Children needfuls in this part of the world.

Mr. Harvey Burks, Harrisburg, Illinois. Cured by "ZEMO" After Five Years' Torture.

Mr. W. B. Burks, Harrisburg, Ill., writes: "I have been suffering from Eczema for five years. I have tried every remedy known to me, but nothing has done me any good. I have been told that 'ZEMO' was a good medicine, so I bought a box and used it. After using it for a few days, I noticed that the itching and burning had stopped. I continued to use it until the skin was completely healed. I am now well and happy. I can now go about in my usual clothes without being ashamed of my skin. I am sure that 'ZEMO' is a good medicine and I recommend it to all who suffer from Eczema or any skin disease."—Harvey Burks.
